If you answered yes to question 6, we unfortunately cannot allow you to enter our café nor our terrace.

I declare that I have or have not had any corona related complaints and on none of the above complaints in the past 24 hours.

If you are with 3 or more people as a group within 1.5 meters inside or on the terrace, you automatically declare that you are one household. And you know that if not, you have to keep at least 1.5 meters distance.

Follow the instructions of the staff and stick to the house rules!
